Report of the Priorities Committee

Mr. Joey Watson reported that the Priorities Committee met via teleconference on May 8, 2013, at 10:00 a.m. A quorum was present.

The Committee recommends approval of all applications, allocations, increases and waivers, as presented, with the exception of 3 D.A.R.E. applications which were submitted to LCLE past the deadline. Therefore, the Priorities Committee recommends that the applications submitted by the DeQuincy Police Department (FY 2012 in the amount of \$18,622), the Mamou Police Department (FY 2011 in the amount of \$21,661), and the Rayne Police Department (FY 2012 in the amount of \$8,400) be denied.

This concludes the Priorities Committee Report.

Sheriff Wiley reminded grantees that funds are awarded to deserving agencies in accordance with Federal and State regulations, as well as the policies and procedures set forth by the Commission. Sheriff Wiley then called for further discussion of the 3 applications which had not been approved. Individually, Officer Jeromy Brady (representing the DeQuincy Police Department), Officer Katina Richard (representing the Mamou Police Department), and Detective Allen Credeur (representing the Rayne Police Department) provided the Commission an explanation for the untimely submittal of their respective agency's D.A.R.E. application, and affirmed to the Commission that future D.A.R.E. applications will be submitted timely.

Mr. Watson reported that the deadline for LCLE's receipt of D.A.R.E. applications is June 30th, and emphasized that missed deadlines tie up state funds that can otherwise be utilized by other agencies and training centers.

Sheriff Gautreaux made a motion for approval of all district grant applications in globo. Constable Reginald Brown seconded the motion, and the motion passed without objection.

OTHER BUSINESS

Sheriff Wiley called for the report of other business.

Mr. Watson reported that a request had been received to seek the Commission's consideration and approval of an increase for FY 2013, DARE Training Center, Subgrant number E#13-8-001 in the amount of \$84,683. This increase is located on page 9 of the ballot).

Sheriff Wiley called for a motion to amend the agenda and approve the item as presented. Motion made by Sheriff Daniel, seconded by Constable Brown, and motion passed.

Mr. Watson reported that we have a need to modify the policy for calculating the fringe benefits for D.A.R.E. Egrants, and called upon Mr. Bob Wertz to provide details regarding the proposed policy revision.

Mr. Wertz reported that current LCLE policy states that the rate of fringe benefits rate for grant programs cannot exceed 30%. This applies to all Federal grants, and there are restrictions for all Federal grant programs. The same requirement does not apply to State grant programs. Mr. Wertz reported that, after discussing the matter with Ms. Tanya LaPorte, LCLE Grants Manager and Ms. Erica Johnson, D.A.R.E. Program Manager, it is proposed that the policy be amended to calculate D.A.R.E. fringe benefits at a flat rate of 30%. This would allow simplification of the grant process while migrating to the Egrant system.

As part of the public hearing process, Mr. Wertz called for comments related to the proposed policy modification. After receiving no comments, Mr. Wertz announced that the hearing was closed.

Sheriff Wiley called for a motion to approve. Motion made by Sheriff Arbuckle and seconded by Sheriff Daniel. Motion passed.

With no other business to discuss, Sheriff Wiley announced that the next Commission Meeting is scheduled for September 12, 2013.
