Accessing the Egrants System

Once an application is awarded, LCLE staff will review it to ensure the requirements for the grant funding have been provided. During this review, the LCLE staff may have questions or require some updates to the submitted application. This quick start guide will assist you with determining whether or not the LCLE staff has returned your application requesting additional information regarding your application and where to find issues or comments regarding your application, which need your response.

NOTE: It is assumed that the Organization and User are already registered since an application has been submitted. A separate Quick Start Guide entitled “*LCLE Egrants User Registration Request Quick Start Guide*” is available to assist you with the registration process.

Go to the LCLE Egrants website at <http://egrants.lcle.la.gov/Egrants/Login.aspx>. The following screen will appear.

The screenshot shows the 'Site Access' page for the Egrants system. It features the Egrants logo at the top left. Below the logo, there are two input fields: 'User ID: *' and 'Password: *'. A blue 'Login' button is positioned below the password field. Below the login button are three buttons: 'Register', 'Change Password', and 'Forgot Password'. Each button has a corresponding description: 'Register for access to the Louisiana Commission on Law Enforcement Egrants Application.', 'Change your LA Login password and/or e-mail address.', and 'Forgot your Password? Click here to have a new one sent to your e-mail address.' At the bottom of the page, there is a small footer with technical support information and a copyright notice: 'Please send technical comments and problems to [LCLE EGRANTS Support](#). ©2011-2013 Louisiana Commission on Law Enforcement. All rights reserved. Unauthorized Access Prohibited.'

Enter the user ID and password, obtained through registration, and click the “**Login**” button. This will log you into the system.
