CRIME VICTIMS REPARATIONS ACT

The Louisiana Crime Victims Reparations Act provides for monetary compensation for economic losses to victims of crimes involving personal injury and to their dependents in cases of death. It also permits recovery for economic losses incurred as a result of a good faith effort to prevent a crime.

The maximum award allowable is \$10,000 for any one case, although the board may extend an award to a maximum allowable of \$25,000 for those victims whose injuries are total and permanent. Claims are reduced by all collateral sources, such as medical and hospitalization insurance payments, social security benefits, disability income insurance, worker's compensation and other sources of benefits.

FUNDING

Income for the compensation fund is composed primarily of monies paid as costs levied on criminal court cases. A cost of not less than fifty dollars (\$50) for felonies and seven dollars and fifty cents (\$7.50) for violations of misdemeanors and municipal and parish ordinances is levied, except traffic violations other than those driving offenses defined in Title 14 of the Louisiana Revised Statutes of 1950 which result in a conviction. Other components of the fund include federal grants, court-ordered restitution from criminals, donations and interest.

Act 684 of the 1992 Louisiana Legislature created the Victims of Juvenile Crime Compensation Fund. Courts which levy the cost (not to exceed \$15) must remit one-third of the amount collected to the Crime Victims Reparations Fund.

The Crime Victims Reparations Board manages a small fund and must insure that these dollars are disbursed as equitably and fairly as possible. The Board has adopted standard operating procedures to keep the fund solvent and help contain these costs while insuring equitable disbursements among crime victims and their families.

AWARDS

Eligibility:

A person who believes he or she is a victim of a crime which involved the use of force or threat of force and resulted in personal injury and/or loss of income; the victim's legal representative; or, in the case of death, a dependent or the dependent's legal representative may make application to the Board for an award.

A claim may be filed regardless of whether the offender is known, has been arrested, and/or has been found guilty.

The crime must:

1. involve the use of force or threat of use of force **or**
2. result in personal injury, death, or catastrophic property loss **and**
3. result in expenses covered by the statute and not reimbursable by any other source.

Vehicular crimes (motor vehicle, boat or aircraft) are not included unless they involve a DWI offense, a hit-and-run offense, or the injuries or death were intentionally inflicted with a vehicle, which includes a crime caused by an operator fleeing the scene of a crime in which he knowingly participated.

Victims of terrorist acts are also eligible to apply for awards.

Application Requirements:

1. The crime must have been committed in Louisiana after July 16, 1982 or happened to a Louisiana resident in a place with no compensation program.
2. The crime must be reported to law enforcement officials within 72 hours unless there is a valid reason for a later reporting.
3. The application must be filed within one year from the date of the crime.
4. The required information must be provided on the application.
5. The losses must not be reimbursable from any other source such as insurance, sick or annual leave, social security, Medicare, Medicaid, civil suit, or restitution.
6. The victim or claimant must cooperate with the reasonable requests of law enforcement officials.

Awards Are Prohibited If:

1. The victim/claimant does not comply with the application requirements as listed on the previous page.
2. The victim is the offender or an accessory, or an award would unjustly benefit either the offender or the accessory.
3. The victim is confined in any type of correctional facility.

An Award Could Be Denied or Reduced If:

1. The Board finds that the implication of the victim's behavior at the time of the crime or the victim's past criminal activity caused or contributed to the incident.
2. The victim was operating a vehicle at the time of the crime without the required insurance.
3. The victim was not wearing a seat belt as required by state law.
4. The victim was a willing passenger in a vehicle driven by an intoxicated driver.

Expenses:

Expenses which may be reimbursed include those:

1. For personal injury:
 - a) medical, hospital, nursing, physical therapy, psychiatric care, or counseling;
 - b) actual loss of past earnings and anticipated loss of future earnings because of a disability resulting from the personal injury;
 - c) care of children, enabling a victim or the spouse, but not both, to engage in gainful employment.
2. As a consequence of death:
 - a) funeral, burial, cremation expenses;
 - b) loss of support to one or more dependents not otherwise compensated for personal injury loss;
 - c) care of children, enabling the surviving spouse to engage in lawful employment, where that expense is not otherwise compensated for personal injury loss;
 - d) counseling or therapy for any surviving family member or cohabiter of the victim.
3. Expenses of the victim associated with the collection and securing of crime scene evidence.

Expenses which may not be reimbursed for any reason include:

1. Property losses, except for a catastrophic property loss which is limited to the loss of the victim's abode provided it is owned and occupied by the victim;
2. Pain and suffering;
3. Attorney fees, except when they are part of an order from a hearing or awarded by a court of law.

Processing

Applications are distributed, received, and investigated by the Sheriff's Office in the parish where the crime occurred. As part of their investigative responsibilities, the sheriff's office obtains a copy of the law enforcement agency report on the crime, verifies all the expenses submitted and insurance or any other collateral sources that the claimant may have received, and makes a recommendation based on the investigation.

The application is then submitted to the Crime Victims Reparations Board's office where the Program Manager reviews the submitted documents, prepares a summary, and places the application on a monthly docket to be reviewed and considered by the entire Board. Applications are reviewed by the Board at its regular meeting and the Board votes to either award or deny. However, they may also vote to continue the case pending further information or they may order a hearing.

The victim/claimant is notified in writing, usually within seven days, of the Board's decision. The Board secretary prepares the award checks which are distributed to the respective Sheriff's offices from which they are sent to the victims and/or providers. The process takes up to three weeks from the Board meeting decision date. The victim/claimant has the right to appeal the decision of the Board within 60 days or appeal directly to District Court within 30 days. If an appeal to the board is denied, further appeal to District Court in Baton Rouge is allowed under the Administrative Procedures Act.

Provisions are made for payment of emergency awards up to \$500 in cases where urgency is apparent. Emergency awards are rendered upon the recommendation of the sheriff's investigator and concurrence of the Board member for the area involved.

Supplemental claims may be submitted for additional expenses incurred after the original award has been made. The aggregate total cannot exceed the maximum caps as per the statute. The supplemental claims are processed in the same manner as original claims.

PUBLIC INFORMATION AWARENESS

Act 383 of the 1992 Louisiana Legislature mandated that the Crime Victims Reparations Board prepare a brochure enumerating victims' rights and listing the victim assistance services specifically available to each parish. The victims' rights information was created as an insert to the Crime Victims Reparations pamphlet. More than 20,000 of these pamphlets have been forwarded to law enforcement agencies and district attorney's offices across the state for distribution. In spite of our public relations efforts, it is quite apparent that there are many victims of crime in this state who are still not aware of benefits of this program.

Public service announcements were developed and are distributed to all radio and television stations licensed to broadcast in Louisiana.

The Crime Victims Reparations Board and the Louisiana Commission on Law Enforcement publishes a statewide Victim/Elderly Services Directory on a bi-annual basis. The directory contains an updated extensive cross-reference of service agencies available to the citizens of Louisiana. The directory along with other CVR information can be accessed on the web at www.lcle.state.la.us/cvr.

NATIONAL AND INTERNATIONAL AFFILIATION

The Louisiana Crime Victims Reparations Board is a member of the National Association of Crime Victims Compensation Boards, the International Association of Crime Victims Compensation Boards, the National Organization for Victim Assistance, and the National Victim Center for Victims of Crime.
