

**OFFICE OF JUVENILE JUSTICE AND DELINQUENCY PREVENTION  
JUVENILE ACCOUNTABILITY BLOCK GRANT PROGRAM**

**CORE PERFORMANCE MEASURES**

All award recipients are required to provide data for each applicable JABG Core Measures questions. The data entered for the core measures should represent all youth who participate in all programs and services funded by a specific JABG federal-year award.

#	OJJDP Core Measure	Definition	Data Grantee Reports	Record Data Here
1	Number and percent of programs/initiatives employing evidence-based practices	Report on the number and percent of programs/initiatives employing best practices. Best practice models include program models that have been shown, through rigorous evaluation and replication, to be effective at preventing or reducing juvenile delinquency or related risk factors, such as substance abuse. Model programs can come from many valid sources (e.g., Blueprints, OJJDP's Model Programs Guide, SAMHSA's Model Programs, state model program resources, etc.).	A. Number of program/initiatives employing best practices B. Number of programs/initiatives C. Percent A/B	
2	Number and percent of youth with whom an evidence-based practice was used	The number and percent of youth with whom a best practice was used. Best practice models include program models that have been shown, through rigorous evaluation and replication, to be effective at preventing or reducing juvenile delinquency or related risk factors, such as substance abuse. Model programs can come from many valid sources (e.g., Blueprints, OJJDP's Model Programs Guide, SAMHSA's Model Programs, state model program resources, etc.).	A. Number of youth with whom a best practice is used B. Number of youth C. Percent A/B	
3	Number of program youth and/or families served during the reporting period	An unduplicated count of the number of youth (or youth and families) served by the program during the reporting period. Definition of the number of youth (or youth and families) served for the reporting period is the number of youth (or youth and families) carried over from the previous reporting period	A. Total number of youth or youth and families served during the reporting period B. Of the total, the number served who were youth	
4	Number and percent of program youth completing program requirements	The number and percent of program youth who have successfully fulfilled all program obligations and requirements. This does not include youth who are still in on-going programs. Program obligations will vary by program, but should be a predefined list of requirements or obligations that clients must meet prior to program completion. Program records are the preferred data source. The total number of youth (B value) includes those youth who have exited successfully and unsuccessfully.	A. Number of program youth who exited the program having completed program requirements B. Number of youth who left the program C. Percent A/B

**CORE PERFORMANCE MEASURES**

#	OJJDP Core Measure	Definition	Data Grantee Reports	Record Data Here
5	<b>Number and percent of program youth who OFFEND during the reporting period (Short-term)</b>	<p>The number and percent of participating program youth who were arrested or seen at a juvenile court for a delinquent offense during the reporting period. Appropriate for any youth-serving program. Official records (police, juvenile court) are the preferred data source.</p> <p>The number of youth tracked should reflect the number of program youth that are followed or monitored for arrests or offenses. Ideally this number should be all youth served by the program during this reporting period.</p> <p>Ex. If I am serving 100 youth in my program, A would be 100. If I am following up with 50 of them, B would be 50. Of these 50 program youth I'm tracking, if 25 of them were arrested or had a delinquent offense during this reporting period, then C would be 25.</p>	<p>A. Total number of program youth served B. Number of program youth tracked during this reporting period C. Of B, the number of program youth who had a new arrest or delinquent offense during this reporting period D. Number of program youth who were recommitted to a juvenile facility during this reporting period E. Number of program youth who were sentenced to adult prison during this reporting period F. Number of youth who received another sentence during this reporting period G. Percent OFFENDING (C/B)</p>	
6	<b>Number and percent of program youth who OFFEND during the reporting period (Long-term)</b>	<p>The number and percent of participating program youth who were arrested or seen at a juvenile court for a delinquent offense during the reporting period. Appropriate for any youth-serving program. Official records (police, juvenile court) are the preferred data source.</p> <p>The number of youth tracked should reflect the number of program youth that are followed or monitored for arrests or offenses 6-12 months after exiting the program.</p> <p>Ex. I have a lot of youth who exited my program 6-12 months ago, but we are only tracking 100 of them, so A is 100. Of these 100 program youth that exited the program 6-12 months ago 65 had a new arrest or delinquent offense during this reporting period, so B is 65.</p>	<p>A. Number of program youth who exited the program 6-12 months ago that you are tracking B. Of A, the number of program youth who had a new arrest or delinquent offense during this reporting period C. Number of program youth who were recommitted to a juvenile facility during this reporting period D. Number of program youth who were sentenced to adult prison during this reporting period E. Number of youth who received another sentence during this reporting period F. Percent of Long Term RECIDIVISM (B/A)</p>	
7	<b>Number and percent of program youth who RE-OFFEND (Short-term)</b>	<p>The number and percent of participating program youth who were arrested or seen at a juvenile court for a new delinquent offense during the reporting period. Appropriate for any youth-serving program. Official records (police, juvenile court) are the preferred data source.</p> <p>The number of youth tracked should reflect the number of program youth that are followed or monitored for new arrests or offenses. Ideally this number should be all youth served by the program during this reporting period.</p> <p>Ex. If I am serving 100 youth in my program, A would be 100. If I am following up with 50 of them, B would be 50. Of these 50 program youth I'm tracking, if 25 of them were arrested or had a delinquent offense during this reporting period, then C would be 25.</p>	<p>A. Total number of program youth served B. Number of program youth tracked during this reporting period C. Of B, the number of program youth who had a new arrest or delinquent offense during this reporting period D. Number of program youth who were recommitted to a juvenile facility during this reporting period E. Number of program youth who were sentenced to adult prison during this reporting period F. Number of youth who received another sentence during this reporting period G. Percent RECIDIVISM (C/B)</p>

8	<b>Number and percent of program youth who RE-OFFEND (Long-term)</b>	<p>The number and percent of participating program youth who were arrested or seen at a juvenile court for a new delinquent offense during the reporting period. Appropriate for any youth-serving program. Official records (police, juvenile court) are the preferred data source.</p> <p>The number of youth tracked should reflect the number of program youth that are followed or monitored for new arrests or offenses 6-12 months after exiting the program.</p> <p>Ex. I have a lot of youth who exited my program 6-12 months ago, but we are only tracking 100 of them, so A is 100. Of these 100 program youth that exited the program 6-12 months ago 65 had a new arrest or delinquent offense during this reporting period, so B is 65.</p>	<p>A. Number of program youth who exited the program 6-12 months ago that you are tracking</p> <p>B. Of A, the number of program youth who had a new arrest or delinquent offense during this reporting period</p> <p>C. Number of program youth who were recommitted to a juvenile facility during this reporting period</p> <p>D. Number of program youth who were sentenced to adult prison during this reporting period</p> <p>E. Number of youth who received another sentence during this reporting period</p> <p>F. Percent of Long Term RECIDIVISM (B/A)</p>	
9	<b>Number and percent of program youth who are VICTIMIZED (Short-term)</b>	The number and percent of youth who were victimized during the reporting period.	<p>A. Total number of program youth served</p> <p>B. Number of program youth tracked during this reporting period for victimization</p> <p>C. Of B, the number of program youth who were victimized</p> <p>D. Percent C/B</p>	
10	<b>Number and percent of program youth who are VICTIMIZED (Long-term)</b>	The number and percent of youth who exited the program 6-12 months ago and were victimized during the reporting period.	<p>A. Number of program youth who exited the program 6-12 months ago that you are tracking for victimization</p> <p>B. Of A, the number of program youth who were victimized during this reporting period</p> <p>C. Percent B/A</p>	
11	<b>Number and percent of program youth who are RE-VICTIMIZED (Short-term)</b>	The number and percent of youth who were re-victimized during the reporting period.	<p>A. Total number of program youth served</p> <p>B. Number of program youth tracked during this reporting period for re-victimization</p> <p>C. Of B, the number of program youth who were re-victimized</p> <p>D. Percent C/B</p>	
12	<b>Number and percent of program youth who are RE-VICTIMIZED (Long-term)</b>	The number and percent of youth who exited the program 6-12 months ago and were re-victimized during the reporting period.	<p>A. Number of program youth who exited the program 6-12 months ago that you are tracking for re-victimization</p> <p>B. Of A, the number of program youth who were re-victimized during this reporting period</p> <p>C. Percent B/A</p>	
13A	<b>Substance use (Short-term)</b>	The number and percent of program youth who have exhibited a decrease in substance use during the reporting period. Self-report, staff rating, or urinalysis are most likely data sources.	<p>A. Number of program youth participating in the program who have exhibited indicated change in behavior</p> <p>B. Number of program youth participating in the program who have exhibited indicated change in behavior</p> <p>C. Percent A/B</p>

#	OJJDP Core Measure	Definition	Data Grantee Reports	Record Data Here
13A	<b>Substance use (Long-term)</b>	Number and percent of program youth who exhibited a decrease in substance use 6 months to 1 year after exiting the program.	A. Total number of youth who exited the program 6-12 months ago who had the noted behavioral change B. Number of youth who exited the program 6-12 months earlier and received services for this behavior C. Percent A/B	
13B	<b>Social competence (Short-term)</b>	The number of youth who have exhibited an improvement in social competence. Social competence is defined as the ability to achieve personal goals in social interaction while maintaining positive relationships with others over time and across situations. Self-report or staff ratings are the preferred data sources.	A. Number of program youth participating in the program who have exhibited indicated change in behavior B. Number of program youth participating in the program who have exhibited indicated change in behavior C. Percent A/B	
13B	<b>Social competence (Long-term)</b>	Number and percent of program youth who exhibited a desired change in social competencies 6 months to 12 months after exiting the program. Social competence is defined as the ability to achieve personal goals in social interaction while simultaneously maintaining positive relationships with others over time and across situations. Self-report or staff ratings are the most likely data sources.	A. Total number of youth who exited the program 6-12 months ago who had the noted behavioral change B. Number of youth who exited the program 6-12 months earlier and received services for this behavior C. Percent A/B	
13C	<b>School attendance (Short-term)</b>	The number of youth who have exhibited an improvement in school attendance. Official records are the preferred data source.	A. Number of program youth participating in the program who have exhibited indicated change in behavior B. Number of program youth participating in the program who have exhibited indicated change in behavior C. Percent A/B	
13C	<b>School attendance (Long-term)</b>	Number and percent of program youth who exhibited an increase in school attendance 6 months to 12 months after exiting the program.	A. Total number of youth who exited the program 6-12 months ago who had the noted behavioral change B. Number of youth who exited the program 6-12 months earlier and received services for this behavior C. Percent A/B	
13D	<b>GPA (Short-term)</b>	The number and percent of program youth who have exhibited a desired change in GPA during the reporting period. Self-report or official records are the most likely data sources.	A. Number of program youth participating in the program who have exhibited indicated change in behavior B. Number of program youth participating in the program who have exhibited indicated change in behavior C. Percent A/B	
13D	<b>GPA (Long-term)</b>	Number and percent of program youth who exhibited a desired change in GPA 6 months to 12 months after exiting the program. Self-report or official records are the most likely data sources.	A. Total number of youth who exited the program 6-12 months ago who had the noted behavioral change B. Number of youth who exited the program 6-12 months earlier and received services for this behavior C. Percent A/B

13E	GED (Short-term)	The number and percent of program youth who earned their GED during the reporting period. Self-report or staff ratings are the most likely data sources.	A. Number of program youth participating in the program who have exhibited indicated change in behavior B. Number of program youth participating in the program who have exhibited indicated change in behavior C. Percent A/B	
13E	GED (Long-term)	Number and percent of program youth who earned their GED 6 months to 12 months after exiting the program. Self-report or staff ratings are the most likely data sources.	A. Total number of youth who exited the program 6-12 months ago who had the noted behavioral change B. Number of youth who exited the program 6-12 months earlier and received services for this behavior C. Percent A/B	
13F	High School Completion (Short-term)	The number of youth who have completed High School during the reporting period. Program records are the preferred data source.	A. Number of youth in the program who received services for this behavior B. Number of youth in the program who received services for this behavior C. Percent A/B	
13F	High School Completion (Long-term)	Number and percent of program youth who exhibited an increase in high school completion 6 months to 1 year after exiting the program.	A. Number of program youth exhibiting indicated change in behavior B. Number of youth in the program who received services for this behavior C. Percent A/B	
13G	Job Skills (Short-term)	Number and percent of program youth who exhibited an increase in job skills during the reporting period. Self-report or staff rating is most likely data source.	A. Number of program youth participating in the program who have exhibited indicated change in behavior B. Number of program youth participating in the program who have exhibited indicated change in behavior C. Percent A/B	
13G	Job Skills (Long-term)	Number and percent of program youth who exhibited an increase in job skills 6 months to 1 year after exiting the program.	A. Total number of youth who exited the program 6-12 months ago who had the noted behavioral change B. Number of youth who exited the program 6-12 months earlier and received services for this behavior C. Percent A/B	
13H	Employment status (Short-term)	The number of program youth who have exhibited an improvement in employment status during the reporting period. Self-report or staff ratings are most likely data sources.	A. Number of program youth participating in the program who have exhibited indicated change in behavior B. Number of program youth participating in the program who have exhibited indicated change in behavior C. Percent A/B
