Part 2. Full Text of the Announcement

A. Program Description

Paul Coverdell Forensic Science Improvement Grants Program (the Coverdell program), which awards grants to States and units of local government to help improve the quality and timeliness of forensic science and medical examiner/coroner’s office services.

Program-Specific Information

This solicitation seeks applications for funding to improve the quality and timeliness of forensic science and medical examiner/coroner’s office services, including services provided by laboratories operated by States and/or units of local government. Among other things, funds may be used to eliminate backlogs in the analysis of general forensic evidence or to train and employ forensic laboratory personnel to eliminate such backlogs.

B. AWARD INFORMATION

Funding Instrument:

The Louisiana Commission on Law Enforcement will issue grant awards.

Application Types Accepted:

Continuations, Renewals, and New applicants/applications

Funds Available:

Contact Coverdell Program Manager – Kelly Parks

Continuation & Renewals - use prior year funding levels for proposal

Award Project Period:

All projects are funded for a maximum of eleven (11) months, and continued funding cannot be guaranteed. Any project funded for **more or less** than the 11-month time period must be approved by the Commission.

Financial Management and System of Internal Controls:

If selected for funding, the award recipient must:

- Establish and maintain effective internal control over the Federal award that provides reasonable assurance that the non-Federal entity is managing the Federal award in compliance with Federal statutes, regulations, and the terms and conditions of the Federal award. These internal controls should

be in compliance with guidance in “Standards for Internal Control in the Federal Government” issued by the Comptroller General of the United States and the “Internal Control Integrated Framework”, issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

- Comply with Federal statutes, regulations, and the terms and conditions of the Federal awards.
- Take reasonable measures to safeguard protected personally identifiable information.

C. ELIGIBILITY INFORMATION

Criminal Records Reports (if applicable)

- The applicant certifies that all systems developed or purchased shall meet all specifications for Louisiana Information Based Reporting System (LIBRS) Criminal History System reporting as are in effect at the time of sub grant award.

Supplanting/Non-Supplanting

- Federal funds must be used to supplement (add to), enhance or expand existing services for program activities and not replace those funds that have been appropriated for the same purpose.
- A grant recipient may not use Federal grant funds to defray any costs that the recipient already is obligated to pay.
- The possibility of supplanting will be the subject of careful application review, possible pre-award review, post-award monitoring, and audit of any finding.
- If any additional information, assistance with definition, or examples of supplanting is needed, please contact the LCLE Coverdell Program Manager.

PART 3. Funding Determination Process

Proposal and Submission Information

What a Proposal Should Include

1. Program Narrative

Applicants must submit a narrative that addresses the project objectives, the expected results, and the implementation approach.

a. Statement of the Problem (Understanding of the problem and its importance)

b. Project Design and Implementation.

1. Soundness of the approach to reduce and/or eliminate a backlog.
2. Soundness of the approach to improve the quality of forensic services.
3. Soundness of the approach to train and employ forensic personnel to eliminate a backlog and increase capacity.
4. Innovation and creativity in the approach to reducing and/or eliminating a backlog and increasing capacity.
5. Feasibility of the proposed project and awareness of pitfalls.

c. Capabilities and Competencies

1. Qualifications and experience of proposed project staff (including any and all individuals (and organizations) identified in the application who will be significantly involved in substantive aspects of the proposal).

2. Demonstrated ability of the applicant organization to manage the effort.
3. Relationship between the capabilities/competencies of the proposed project staff (including the applicant organization) and the scope of the proposed project.

d. Plan for Collecting the Data Required for this Solicitation's Performance Measures

1. Improvement in Quality and Timeliness.
 - a. Anticipated reduction in backlog.
 - b. Anticipated improvement in quality and timeliness of forensic results.
 - c. Anticipated benefit of education and training to reduce backlog and improve timeliness of results.
 - d. Planned steps to achieve accreditation to positively impact quality and/or timeliness of forensic results.
2. Anticipated Impact of Eligible Project Activities.
 - a. *Personnel*: If applicable, anticipated impact of requested personnel resources (excluding overtime) on improvement in quality and/or timeliness of forensic science or medical examiner/coroner's office services.

3. Demonstrated plan for collection of the performance measure data as described in the solicitation.

2. Budget Detail Worksheet and Budget Narrative

a. Budget Detail Worksheet

A sample Budget Detail Worksheet can be found at www.lcle.la.gov.

b. Budget Narrative

The Budget Narrative should thoroughly and clearly describe every category of expense listed in the Budget Detail Worksheet. Proposed budgets are to be complete, cost effective, and allowable (e.g., reasonable, allocable, and necessary for project activities). Applicants should demonstrate in their Budget Narratives how they will maximize cost effectiveness of grant expenditures. Budget Narratives should generally describe cost effectiveness in relation to potential alternatives and the goals of the project. For example, a Budget Narrative should detail why planned in-person meetings are necessary, or how technology and collaboration with outside organizations could be used to reduce costs, without compromising quality. The narrative should be mathematically sound and correspond with the

information and figures provided in the Budget Detail Worksheet. The narrative should explain how the applicant estimated and calculated all costs, and how they are relevant to the completion of the proposed project. The narrative may include tables for clarification purposes but need not be in a spreadsheet format. As with the Budget Detail Worksheet, the Budget Narrative should be broken down by year. **Lastly delineate Opioid-related and non-opioid related amounts in budget.**

1. Total cost of the project relative to the perceived benefit.
 2. Use of existing resources to conserve costs.
 3. Cost-effectiveness of proposed activities applicable to backlog reduction and/or timeliness of forensic science or medical examiner/coroner's office services.
 4. Cost-effectiveness of proposed activities applicable to improvement in the quality of forensic science or medical examiner/coroner's office services.
 5. Cost-effectiveness of education and training as related to quality and/or timeliness of forensic science or medical examiner/coroner's office services.

3. LCLE Proposal Review Information

A. LCLE Application Approval Process

After receipt of proposals, the Coverdell Program Manager will conduct the risk assessment, provide the scoring criteria and prepare the proposal for the Grant Review Committee. Once a proposal has been approved by the Grant Review Committee it is then presented to the Commission on Law Enforcement for final approval. Both the Grant Review Committee and the Commission can make recommendations for approval, denial, deferment or table in addition to lacing additional special conditions that require compliance.

B. LCLE Award Process

Proposals approved by the Commission are then issued an Award Letter by LCLE Staff. These Award Letters are then forwarded directly to the applicant agency in a Subgrant Award Packet. The applicant agency is responsible for signing the original award in blue ink and returning the original to LCLE, keeping a copy of the award in their agency file.
