BJA AREAS OF EMPHASIS

BJA recognizes that many state and local criminal justice systems currently face challenging fiscal environments and that an important, cost-effective way to relieve those pressures is to share or leverage resources through cooperation among federal, state, and local law enforcement. BJA intends to focus much of its work on: Restoring Justice – Support for State, Local, Tribal, and Territorial Administration (SLTT) of Criminal Justice; Community Violence Intervention; Law Enforcement Accreditation, Policy Development, and Training; Technologies to Support Transparency and Information Sharing between Law Enforcement and Communities; Sustaining COVID-19 Criminal Justice Innovations; and Innovative Forensic Technologies such as Rapid DNA for Booking Stations. BJA encourages each recipient of an FY 2021 JAG award to join federal law enforcement agencies across the board in addressing these challenges.

Additional Uses of JAG Funds

- JAG funds awarded under this FY 2021 solicitation may be used to:
- Enforce state and local laws that establish offenses similar to offenses established in 21 U.S.C. § 801 et seq. and/or improve the functioning of the criminal justice system, with emphasis on violent crime and serious offenses, by providing additional personnel, equipment, training, technical assistance, and information systems for the more widespread apprehension, prosecution, adjudication, detention, and rehabilitation of persons who violate these laws, and assist the victims of such crimes (other than compensation).

- Support projects related to preventing, detecting, seizing, and/or stopping the presence and use of contraband cellphones by detainees and inmates. This includes the purchasing of managed access systems and other mitigation technologies (as permitted by applicable law).
- Purchase fentanyl detection equipment and training for law enforcement safety, as well as naloxone distribution.
- Purchase drug detection canines to combat the rise of drug trafficking, including that of methamphetamines.

Additionally, JAG funds awarded under this FY 2021 solicitation may be used for any purpose indicated here: [Purposes for Which Funds Awarded the Edward Byrne Memorial Justice Assistance Grants \(JAG\) Program May Be Used \(ojp.gov\)](#).

Priority is given to projects that are evidenced based. OJP's www.CrimeSolutions.gov web site is one resource that applicants may use to find information about evidence-based programs in criminal justice, juvenile justice, and crime victim services.
