MEDICAL CLAIMS

Medical Expenses are paid to providers at 55%. Out of pocket expenses are paid at 100%. The following must be included in order to file a claim for medical payment(s) or reimbursement:

1. **Claim Form for Medical Expenses**
   a) **Form must be completely filled out and signed by the claimant.**
   b) **Insurance information must be completely filled out. If victim has no insurance, write "NONE" in the space for "Company Name."**

2. **Medical Verification Form - must be completed and signed by provider.**

3. **Invoice(s)**
   a) **Make sure all invoices have the provider name, address and phone number on them.**
   b) **Check dates of service to make sure they are dated *on the day of the crime or after* and that the victim is actually the patient. (We actually do get invoices from time to time dated before the crime date or for another member of the family!)**
   c) **If the invoice is old, try to get an up-to-date one. This will show any claimant or insurance payments as well as any write-offs that the provider has given. We cannot pay on "Balance Forward" statements or statements from collection agencies.**

4. **Receipts**
   a) **To be reimbursed for out-of-pocket expenses, the person listed on the receipt must be the claimant.**
   b) **Receipts should be on official paper (not out of a generic receipt book). If that is impossible, get an updated statement that shows the payment(s) that have been made.**

5. **If the victim had insurance, the insurance payment should be included on the provider statement. If the insurance denied payment, please include the insurance Explanation of Benefits (EOBs) explaining why the claim was denied.**

6. **To claim medical mileage, documentation showing the provider visits must correspond with dates being claimed for mileage. In order to claim mileage expenses, trips must be 20 miles or more one-way. Also, please include a printout of mileage. (Mapquest, Google, etc.)**

*** **Information on the Claim Form MUST correspond with the Medical Verification Form AND with the invoices/statements.**

AMBULANCE CHARGES

Ambulance charges must be recorded on the Claim Form For Medical Expenses. These charges are divided into two categories:

Ambulance Transport -- this includes the base transportation charge and all of the mileage charges. The CVR Board pays a maximum of $300 for ground transport and $500 for air transport.

Medical Expenses – this includes all other charges on the ambulance itemized invoice once the base transportation charge and mileage charges have been subtracted out. This is paid at the normal percentage of 55%.
