CRIME VICTIMS REPARATIONS ACT

The Louisiana Crime Victims Reparations Act provides for monetary compensation for economic losses to victims of crimes involving personal injury and to their dependents in cases of death. It also permits recovery for economic losses incurred as a result of a good faith effort to prevent a crime.

The maximum award allowable is $15,000 for any one case, although the Board may extend an award to a maximum of $25,000 for those victims whose injuries are total and permanent. Claims are reduced by all collateral sources, such as medical and hospitalization insurance payments, social security benefits, disability income insurance, worker's compensation and other sources of benefits.

FUNDING

The Crime Victims Reparations Board manages a small fund and must insure that these dollars are disbursed as equitably and fairly as possible. The Board has adopted standard operating procedures to keep the fund solvent and help contain these costs while insuring equitable disbursements among crime victims and their families.

Income for the compensation fund is composed primarily of monies paid as costs levied on criminal court cases. For felony convictions, the fine is not less than fifty dollars ($50) and seven dollars and fifty cents ($7.50) for misdemeanors and violations of municipal and parish ordinances. Other components of the fund include federal grants, court-ordered restitution from criminals, donations, interest, and unclaimed gaming prizes.

Act 634 (CHC 811.2) of 1993 created the Victims of Juvenile Crime Compensation Fund. Courts which levy the cost (not to exceed $15) must remit one-third of the amount collected to the Crime Victims Reparation Fund.

Act 186 of 2015 provides that unclaimed gaming prizes may be used for the payment of forensic medical examinations.

AWARDS

Eligibility:

A person who believes he or she is a victim of a crime which involved the use of force or threat of force and resulted in personal injury and/or loss of income; the victim's legal representative; or, in the case of death, a dependent or the dependent's legal representative may make application to the Board for an award.

A healthcare provider may file an application for reimbursement of expenses for a forensic medical exam.

A claim may be filed regardless of whether the offender is known, has been arrested, and/or has been found guilty.

3. An application for reparations shall be filed in writing with the board within one year after the date of the personal injury, death, or catastrophic property loss or within such longer period as the board determines is justified by the circumstances.
4. The required information must be provided on the application.
5. The losses must not be reimbursable from any other source such as insurance, social security, Medicare, Medicaid, civil suit or restitution.
6. The victim or claimant must cooperate with the reasonable requests of law enforcement officials.

    e) crime scene cleanup

3. Expenses of the victim associated with the collection and securing of crime scene evidence or with cleanup of the crime scene.

2. Pain and suffering;
3. Attorney fees, except when they are part of an order from a hearing or awarded by a court of law.

Processing

Applications are distributed, received, and investigated by the Sheriff's Office in the parish where the crime occurred. As part of their investigative responsibilities, the sheriff's office obtains a copy of the law enforcement agency report on the crime if available, and verifies all the expenses submitted and insurance or any other collateral sources that the claimant may have received, and makes a recommendation based on the investigation.

The application is then submitted to the Crime Victims Reparations Board's office where the board staff reviews the submitted documents, prepares a summary, and places the application on a monthly docket to be reviewed and considered by the entire Board. Applications are reviewed by the Board at its regular meeting and the Board votes to either award or deny. However, they may also vote to continue the case pending further information or they may order a hearing.

The victim/claimant is notified in writing of the Board's decision. The Board administrative assistant prepares the award checks which are distributed to the respective Sheriff's offices from which they are sent to the victims and/or providers. The victim/claimant has the right to appeal the decision of the Board within 60 days or appeal directly to District Court within 30 days. If an appeal to the board is denied, further appeal to District Court in Baton Rouge is allowed under the Administrative Procedures Act.

Provisions are made for payment of emergency awards up to $1,000 in cases where urgency is apparent. Emergency awards are rendered upon the recommendation of the sheriff's investigator and concurrence of the Board member for the geographical area involved.

Supplemental claims may be submitted for additional expenses incurred after the original award has been made. The aggregate total cannot exceed the maximum caps as per the statute. The supplemental claims are processed in the same manner as original claims.

Forensic Reimbursement applications (FME) are payable upon submission to the board's office since they do not need prior approval. FME's are not considered reparations.

PUBLIC INFORMATION AWARENESS

Act 383 of 1992 mandated that the Crime Victims Reparations Board prepare a brochure enumerating victims' rights. These brochures are available in sheriff's offices, police departments, hospitals, doctor's offices, as well as other service agencies.

Public service announcements are periodically distributed to all radio and television stations licensed to broadcast in Louisiana.

The Crime Victims Reparations (CVR) Board maintains a website on the CVR Program which includes information available to the public, such as, who may qualify, how to apply for reparations, as well as whom to contact for assistance.

NATIONAL AND INTERNATIONAL AFFILIATION

The Louisiana Crime Victims Reparations Board is a member of the National Association of Crime Victims Compensation Boards.
