CRIME VICTIMS REPARATIONS ACT

The Louisiana Crime Victims Reparations Act provides for monetary compensation for economic losses to to victims of crimes involving personal injury and to their dependents in cases of death. It also permits recovery for economic losses incurred as a result of a good faith effort to prevent a crime.

The maximum award allowable is $15,000 for any one case, although the board may extend an award to a maximum of $25,000 for those victims whose injuries are total and permanent. Claims are reduced by all collateral sources, such as medical and hospitalization insurance payments, Social Security benefits, disability income insurance, worker's compensation and other sources of benefits.

FUNDING

The Crime Victims Reparations Board manages a small fund and must ensure that these dollars are disbursed as equitably and fairly as possible. The board has adopted standard operating procedures to keep the fund solvent and help contain these costs while insuring equitable disbursements among crime victims and their families.

Income for the compensation fund is composed primarily of monies paid as costs levied on criminal court cases. For felony convictions, the fine is not less than fifty dollars ($50) and seven dollars and fifty cents ($7.50) for misdemeanors and violations of municipal and parish ordinances. Other components of the fund include federal grants, court-ordered restitution from criminals, donations, interest, and unclaimed gaming prizes.

Act 634 (CHC 811.2) of 1993 created the Victims of Juvenile Crime Compensation Fund. Courts which levy the cost (not to exceed $15) must remit one-third of the amount collected to the Crime Victims Reparations Fund.

Act 186 of 2015 provides that unclaimed gaming prizes may be used for the payment of forensic medical examinations.

AWARDS

Eligibility:

A person who believes he or she is a victim of a crime which involved the use of force or the threat of the use of force or any human trafficking-related offense, or the person's legal representative may make application to the board for an award. In the case of death, a dependent or the dependent's legal representative, or an eligible claimant may make application to the board for an award.

A healthcare provider or healthcare facility may file an application for reimbursement of expenses related to a forensic medical examination.

The crime must:

1. involve the use of force or threat of force or any human trafficking-related offense **and**

Victims of terrorist acts and human trafficking are eligible to apply for awards.

Application Requirements:

1. An adult victim of a criminal offense is not required to report the crime to any law enforcement officer in order to file an application. If a victim chooses not to report the crime to law enforcement, the claimant must submit reasonable documentation as provided by R.S. 46:1806 (A)(1)(b) with the application.
2. An application for reparations shall be filed in writing with the board within one year after the date of the personal injury, death, or catastrophic property loss or within such longer period as the board determines is justified by the circumstances.
3. The required information must be provided on the application.
4. The losses must not be reimbursable from any other source such as insurance, Social Security, Medicare, Medicaid, a civil suit, or restitution.
5. The victim or claimant must cooperate with the reasonable requests of law enforcement officials.

Awards Are Prohibited If:

1. The victim/claimant does not comply with the application requirements.
2. The victim is the offender or an accessory, or an award would unjustly benefit either the offender or the accessory.

3. The victim was not wearing a seat belt as required by state law.
4. The victim was a willing passenger in a vehicle driven by an intoxicated driver.

Expenses:

Expenses which may be reimbursed include those:

1. For personal injury:

    a) medical, hospital, nursing, physical therapy, psychiatric care, or counseling;

    c) care of children, enabling the surviving spouse of a victim or the legal custodian or caretaker of the deceased victim's child or children to engage in lawful employment where that expense is not otherwise compensated for as a pecuniary loss for personal injury;
    d) counseling or therapy for any surviving family member of the victim or any person in a close relationship to such victim;
    e) crime scene cleanup.

3. Expenses of the victim associated with the collection and securing of crime scene evidence or with cleanup of the crime scene.

Expenses which may not be reimbursed for any reason include:

1. Property losses, except for a catastrophic property loss which is limited to the loss of the victim's abode provided it is owned and occupied by the victim;
2. Pain and suffering;
3. Attorney fees, except when they are part of an order from a hearing or awarded by a court of law.

Processing

Applications are distributed, received, and investigated by the sheriff's office in the parish where the crime occurred. As part of their investigative responsibilities, the sheriff's office obtains a copy of the law enforcement agency report on the crime if available, and verifies all the expenses submitted and insurance or any other collateral sources that the claimant may have received, and makes a recommendation based on the investigation.

The application is then submitted to the Crime Victims Reparations Board's office where the board staff reviews the submitted documents, prepares a summary, and places the application on a monthly docket to be reviewed and considered by the entire Board. Applications are reviewed by the board at its regular meeting and the board votes to either award or deny. However, the board may also vote to continue the case pending further information or the board may order a hearing.

The victim/claimant is notified in writing of the board's decision. The board staff prepares the award checks which are distributed to the respective sheriff's offices from which they are sent to the victims and/or service providers. The victim/claimant has the right to appeal the decision of the board within 60 days or appeal directly to District Court within 30 days. If an appeal to the board is denied, further appeal to the District Court in Baton Rouge is allowed under the Administrative Procedure Act.

Provisions are made for payment of emergency awards up to $1,000 in cases where urgency is apparent. Emergency awards are rendered upon the recommendation of the sheriff's investigator and concurrence of the board member for the geographical area involved.

Supplemental claims may be submitted for additional expenses incurred after the original award has been made. The aggregate total cannot exceed the maximum caps as per the statute. The supplemental claims are processed in the same manner as original claims.

Reimbursement for the performance of a forensic medical examination is not considered reparations and does not require board approval. The board staff handles all matters pertaining to forensic medical examination reimbursements.

PUBLIC INFORMATION AWARENESS

Act 383 of 1992 mandated that the Crime Victims Reparations Board prepare a brochure enumerating victims' rights. These brochures are available in sheriff's officers, police departments, hospitals, doctor's offices, as well as other service agencies.

Public service announcements are periodically distributed to all radio and television stations licensed to broadcast in Louisiana.

The Crime Victims Reparations (CVR) Board maintains a website on the CVR Program which includes information available to the public, such as, who may qualify, how to apply for reparations, as well as whom to contact for assistance.

NATIONAL AND INTERNATIONAL AFFILIATION

The Louisiana Crime Victims Reparations Board is a member of the National Association of Crime Victims Compensation Boards.
